What does CIA mean?

Certified Internal Auditor (CIA) is an accounting certification issued by the Institute of Internal Auditors (IIA), for finance professionals and accounting managers. It signifies the ability to work within (IPPF) and perform auditing in accordance with international standards. Obtaining this certificate indicates professionals' deep understanding of corporate governance and their ability to use risk assessment and control techniques. Holding CIA certificate opens new doors for professional expansion further to increasing earning potentials.

What makes Surgent the best CIA Review course?

Surgent CIA Review is unlike any other exam review in the market; for having A.S.A.P. Technology™, Surgent's proprietary, award-winning adaptive learning platform, which finds your knowledge gaps, and customizes your study plan to match.
