PMP Review

What does PMP® Mean?

The Project Management Professional (PMP)® is the world's leading project management certification. Including predictive, agile and hybrid approaches, the PMP® proves project leadership experience and expertise in any way of working. It supercharges careers for project leaders across industries and helps organizations find the people they need to work smarter and perform better.

Why Obtain the PMP® Certification?

The PMP® certification recognizes demonstrated competence in leading and directing project teams. It provides project managers with a solid foundation of experience, education and competency to successfully lead and direct projects that will have a positive impact on a company's bottom line results.

Higher salaries compared with non-credentialed peers.

Internationally recognized credential across an array of industries that employ project managers.

Unique competitive advantage.

Increased marketability.

What makes the best PMP® Course?

Course Objectives:

Understand projects and project management disciplines.

work out more practice questions to greatly improve their chance of passing the test.

Eligibility

Earning your PMP Certification is a commitment, and that's why it is valuable. If you have real-world project management experience, you've finished the hardest part. Before you apply, make sure you meet one of the following sets of PMP Certification requirements:

- Four-Year Degree.
 - 36 months of experience leading projects within the past eight years.
 - 35 hours of project management education/training or CAPM® certification.
 - High School Diploma or associate degree.
 - 60 months of experience leading projects within the past eight years.
 - 35 hours of project management education/training or CAPM® certification.
-

Not Eligible?

You may qualify to apply for the CAPM certification. To sit for the exam, you must meet the following CAPM requirements:

- Have a secondary degree, such as a high school diploma, GED (general educational development), or global equivalent.
- Have at least 23 contact hours of project management education completed before the exam (PMI's online Project Management Basics course can help fulfil this requirement).
